Concessions

We want that all people who wish to train with us can do so, regardless of their income. If our prices are too high for you, please decide upon a more affordable sum and speak to your trainer about organizing a concession. We'll find a solution. This also applies to parents of girls who attend the girls' training.

PLEASE BE AWARE: CONCESSIONS HAVE TIME LIMITATIONS!

Concessions for those who become members in the period October to March will be valid until 30.06. Concessions for those who become members in the period April to September will be valid until 31.12. After this date reduced fees must be extended upon request to 15.06 or 15.12 as appropriate. Concessions are always valid for 6 months. If the arranged concession is not extended after this time, our regular fee will come into effect.

We ask all women/parents who pay a reduced fee to increase their payment should their financial situation improve.

Inactive Membership: 5 €

In case of illness (6 weeks), absence (2 months), or pregnancy, members can stay in Lowkick for 5 € per month as an inactive member. This is also a good solution for those unexpected changes in life that make it difficult to give due notice.

If you want to make changes concerning your payments, please inform us until day 15 of any month. Then we can change your fee for next month. Otherwise it will be one month later.

Due Dates of Fees and Membership Cancellation:

Monthly payments are due in advance and are normally withdrawn by direct debit on the 3rd working day of every month. If a direct debit is rejected we will try again 2 weeks later, and will include any bank charges.

Membership cancellation: please send us a written cancellation to our postal address or an e-mail. You can cancel by 30.06 or 31.12 of every year subject to a 2 month cancellation deadline. The admission fee can only be settled completely if you send us the cancellation until 20.04. or 20.10. If you cancel later than that the admission fee can only partly be settled or not at all, depending on the date of cancellation. Latest possible day of cancellation is 15.06. or 15.12.

Applicable to the girls' pass: cancellation for the following month is possible until the 15th of the current month.
